

# **US Coast Guard**

## **Navigation Warning** 33 CFR 165.T09-0293

In effect 8 a.m. April 15, 2024 until 8 p.m. July 31, 2024

Enforced for recreational vessels during times of construction when deemed necessary.

### **Detroit River - Gordie Howe Bridge Construction**

Temporary safety zone. All U.S. navigable waters of the Detroit River between the hanging girders on the Gordie Howe Bridge marked by orange visibility markers and 100 feet upriver and 100 feet downriver during active construction. Commercial vessels will not be affected.

Entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port Detroit or designated representative.

Contact the Captain of the Port Detroit via VHF Ch 16.
